Dear Chris

The sequences L17338 and L18923 which you submitted to Genbank does not say what gene it is! We would like to know for Fly Base.

Best wishes,

M. Ashburner.

Dear Mike,

The sequences L17338 and L18923 are from the *zen* promoters of *D. pseudoobscura* and *D. melanogaster*, respectively.

Regards,

Chris Rushlow
